JAYME

Jamye Is a ravishing redhead who is warm, nice, and giving. So why do all the girls hate her? “They are just jealous of me because I’m skinnier than them and prettier than them!” Jamye reasons. “Plus, I fucked most of their boyfriends on the side. That doesn’t make me a bad person. They don’t have to be so mean about it! I want to be invited to parties too!” There’s a party in our pants, Jayme. Are you cumming?

ONE BECOMES TWO

Uncommitted

I'm an Assistant Food & Beverage Director at a large resort complex in central Florida. A few summers ago I met a lady from Alabama area who said she was in the process of developing a new resort on the gulf around Mobile. She said she liked how I handled my job and asked if I would be interested in taking a managerial position once it opened. She said I could hire local help as long as I oversaw the projects. Well, Evelyn, and I have been successful beyond our expectations. However, now she has tried to start a non-business relationship with me. For many reasons I do not want one. She is an attractive woman, just the kind that would be far too into a serious relationship, and with owning a business together things could get all messed up. I'm in my mid-fifties, single again; in great shape body wise; have been called handsome and blessed with an eight inch cock that women have always loved. Now, I have told her many times, that I don't want a relationship with her, yet she keeps trying.

Evelyn has a daughter, Olivia, just out of college, who has a very nice body and pretty face. She is tall with full, firm (I assume, not having touched them) breasts and has a sexy way about her. She always has a date and many guy friends that come around. I had noticed her body, never thought of her in any other way than my partner's daughter, plus there was such an age difference, so I never even considered that. Now, Olivia's moved back to her mom's house because she just broke off a bad relationship. Evelyn still works at home so I'll often drop off some of our business paperwork for her to do at home. I stopped by one morning to drop off files from the last week. I always call ahead because it's the polite thing to do. Olivia answered the phone and told me it was okay to come over.

When I arrived, I went in and she offered a cup of coffee and sat down with me at the kitchen island. Shortly afterwards she asked if she could ask me something without offending me. Of course, I said, and then she asked me if I was dating her mother. I said I was not and had no intention of doing so. She said her mother sometimes leads others to think that she is in a relationship with me. I told her that's been an ongoing problem, but I have

told her mother many times that would not happen.

We paused the conversation and each took a sip of our drinks. I asked about her boyfriends and she said she was just about over men. She said every guy she sees wants a relationship and she doesn't. I asked her why she would go out with them if she did not want a relationship. She said she hoped I did not think badly of her, but she really loves sex. I did not know what to say, other than I can understand – and who doesn't like it. We each took another awkward sip and momentarily avoided eye contact.

Then she looks directly at me and asks if I found her sexually active. I thought very hard, feeling she could be fishing for info on her mother. She could see my hesitation and let me know this was only between us! I felt better about that, and let her know I have had sex with a couple women lately but run into the same issues as she has. She laughed and said both of us just wanted fuck buddies. I laughed and said that would be perfect for me. Again the awkward pause and then she said the two of us should be fuck buddies. Like the movie *Friends With Benefits*, she said. You know, no love, no commitment, no relationship – just uncommitted, casual sex.

I initially laughed at what she said, thinking she was joking, but she looked at me with big doe eyes and I quickly had to regroup. I told her I laughed because it's not that I wouldn't want to fuck her, or that I did not find her attractive. I told her she is very sexy, and if things were different it would be a great idea. Then she said she found me very sexy, handsome and very fuckable. I froze and did not know what to say. Fuckable? She stood up, walked over to me and started kissing me. I stopped her and said we shouldn't do this. She was not having that, she kept kissing me and slid her hand down to my now growing cock.

She stopped kissing me and takes her top off and tells me how much she wants to suck my cock! I looked at her perfect firm breasts with perfect tan areolas. Then she dropped to her knees and had my pants open and my cock out in no time. When she saw it, she gasped at my fully hard rod saying it's the biggest cock she has ever touched. She starts slowly working my cock over, talking dirty and telling me how much she loves cock. As she keeps working on it, she told me to strip, and how much she loves being naked. She gets her shorts off and somehow never stops on my cock.

I was trying my hardest not to cum too soon, and pulled my cock away. She knew why I did that and stood up. Immediately I had my hands all over sexy body. It was incredible to enjoy her sexy body. I picked her up and set her on the kitchen table. She asked me to be careful with that big cock and go slow. I laughed and told her it wasn't big cock time yet, and I had to taste her sweet little pussy. I lifted her legs up, and I started on her shaved pussy. She was enjoying it, and kept talking dirty and sexy. I stood up with my big hard cock and aimed it at her bald pussy, she warned to be gentle and go slow. I eased my big cock slowly into her, being gentle, taking my time working more of it in. Finally I had most of it inside of her and started working full strokes in and out of her, as her pussy stretched out to take me in.

As she became comfortable, she told me to make that pussy of hers moan; how much she loves a big cock, and I could do what I wanted with her, and she would do

anything I wanted! Then she jumped off my cock and bent down to suck it more and lick my balls.

After a few sizzling moments, she took me by the hand and led me to the living room, and she got on her knees, doggy style, and told me to get that cock back in her. We fucked and sucked for two hours and two orgasms. We crashed back on the couch and from time to time she would suck my cock some more, and telling me how much she loves sucking my cock. Trying to get me hard again was her goal, but I was going to need some rest. We talked some more about being fuck buddies and since that day we see each other about every other day. We have talked about fantasies; hers is to lick pussy, but has not brought it up to her girlfriends. I told her I would love two women at one time, enjoying my cock. She said we should work on that.

That next Friday when she comes over, she tells me she has a girlfriend who wants to get together with us. I could not believe my ears, as she has set it up for Saturday night – tomorrow night. She said she got her friend to join us after she told her I had a big cock, and she wanted to experience one. The next night comes around and they both show up. Olivia introduces her friend, Jenny, and immediately says we all should get naked. Her friend was hot and sexy; she was shorter and had a firm, young body with nice large breasts. I notice her friend checking out my cock so I move over and kiss Olivia and start rubbing her body as her friend watches us. I pull Jenny into our caress and in no time she grabs my cock and starts to stroke it. They both drop to their knees, tongues out, and they start working on my cock.

After several minutes, my knees started to buckle so I suggested that we all move to the bedroom. We all got in bed and started enjoying each other. I had Jenny on her back and was licking her pussy, and Olivia gets behind my ass and pulls my cock back to suck it, every now and then licking my ass. Olivia asked me if I liked her friend's pussy and I said it was great. She then moves up to watch me lick her friend. As I licked Jenny, Olivia, moved her mouth in to have a taste. Initially, Jenny was a little shocked, but I moved my cock up to her mouth and she just started sucking on it and relaxed. Eventually we all fucked and sucked till we crashed.

In the morning the girls woke up and went to make breakfast. I got up and went downstairs. I heard something in the living room and as I walked in, I see them eating each other out on the sofa. I walk over and offer my cock to Jenny's mouth and she goes back and forth between my cock and Olivia's pussy. Then she takes my hard cock and puts it in my Olivia's pussy and I start pounding my cock in her. I was ready to cum and her friend pulled me out and drained my cum. Then they went back to licking each other to their own climaxes. They finished up and we all had breakfast, and lounged around most of the day.

Olivia came back Tuesday and we talked for a couple hours about how about how much fun the other night was, and how much she loves having me as a fuck buddy. She also said she now loves licking pussy and it makes her feel so sexy. She said Jenny and she have had girl-sex together and both love it, but they still want guys. Especially this one guy with that eight inch cock. I smiled and told her I'm the luckiest guy to have this hot sexy girl to be my friend – with benefits. We vowed to keep this between us and never, ever tell her mother. Ever!

I started fucking after finished college. Yes, I stayed a virgin throughout high school. In college I would give hand jobs and blow jobs and even let a finger or two in my pussy, but no cock until I was married. And then, once I was, I couldn't get enough. My man couldn't give it to me as often as I wanted it so I strayed. Yes, I found strange cock, and it was a very good thing.

MONIQUE

Last year I never thought I'd be having sex on camera. I was content at home doing what I'm supposed to be doing. Then one of my girlfriend's told me that she posed nude for a photographer and what a great time she had. I just took it as a nice story, but she invited me along the next time and I went. Well, it did seem like a lot of fun and a couple weeks later, I decided to do it. The rest, as they say, is history.

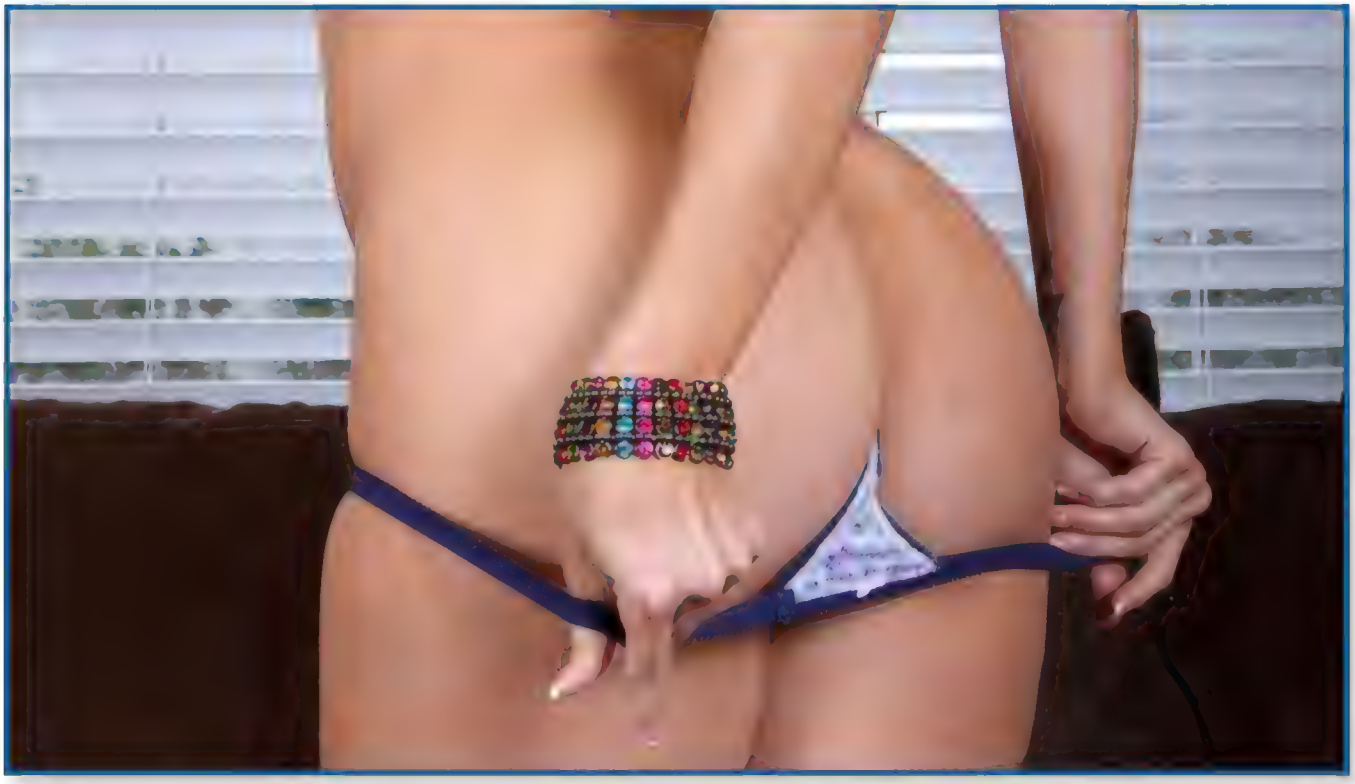
A015

PLEASE: TAKE MY WIFE



I've been married to Chelsea for two years. We met sophomore year in college. She's now 23 and I'm 25, and while there have been rough patches, mostly it's been great. In college, we would have mini-orgies with roommates and frat and sorority friends. Usually no more than four of us, switching partners but always going home together. When we actually married, all that changed... monogamy was the word. Then things slowly changed.

I took a job blogging for a major lifestyle website and one of my assignments was to discuss wife/partner swapping. Initially I drew from my own experience and then sought others who had done it, or were doing it, to write my blog. I wrote that in college times were a little more liberal, as were we. Sexual experimentation was not unusual for college-age people, but tended to get more conservative as they got older. One night, my wife started reading my last blog over my shoulder and after I finished, she handed me a cold beer and said she liked the article and it made her wonder what it would be like now. We laughed and discussed various fantasy scenarios, but that quickly became a bit more serious of a discussion.

He was more than game to fuck my wife so we started to make plans. I spoke to my wife about it and she was game. I would video the affair and use it for reference in my blog.

She said she loved me to death, but often wondered what another man would be like at this point in her life. She didn't want to split, but she also was wondering what another cock was like. I told her I thought that too, but for pussy, not cock, and we laughed again. By the time we finished the second glass, we decided that she could have sex with another guy, if I could have sex with his woman. But only if the other was there and either being sexually involved or watching. We agreed that my friend Jeremy would be a good candidate for our tryst. But he was single, she said. I said that was okay as long as I got me some pussy afterwards. So we devised a plan and put it into motion.

As my friend, Jeremy, and I started talking I brought up the idea with him. I wasn't too sure how he would react but was surprised when he agreed. He was more than game to fuck my wife so we started to make plans. I spoke to my wife about it and she was game. We made plans a couple of times but something always seemed to come up. Finally we had a real plan. I would video the affair and use it for reference in my blog.

Jeremy met at a local bar and we all had a few drinks and talked about our plans for the next day. Finally, it looked like it was going to work out. After a few more drinks, we were all getting tired and headed home. When we got there I knew my buddy would be more than game for the opportunity but I wasn't sure if my wife would follow through with it. We all had a shower and then took advantage of the situation. Jeremy and I had talked about me video taping them together and he had no problem with it. I got out the video camera and got ready for the show. It all started in the living room.

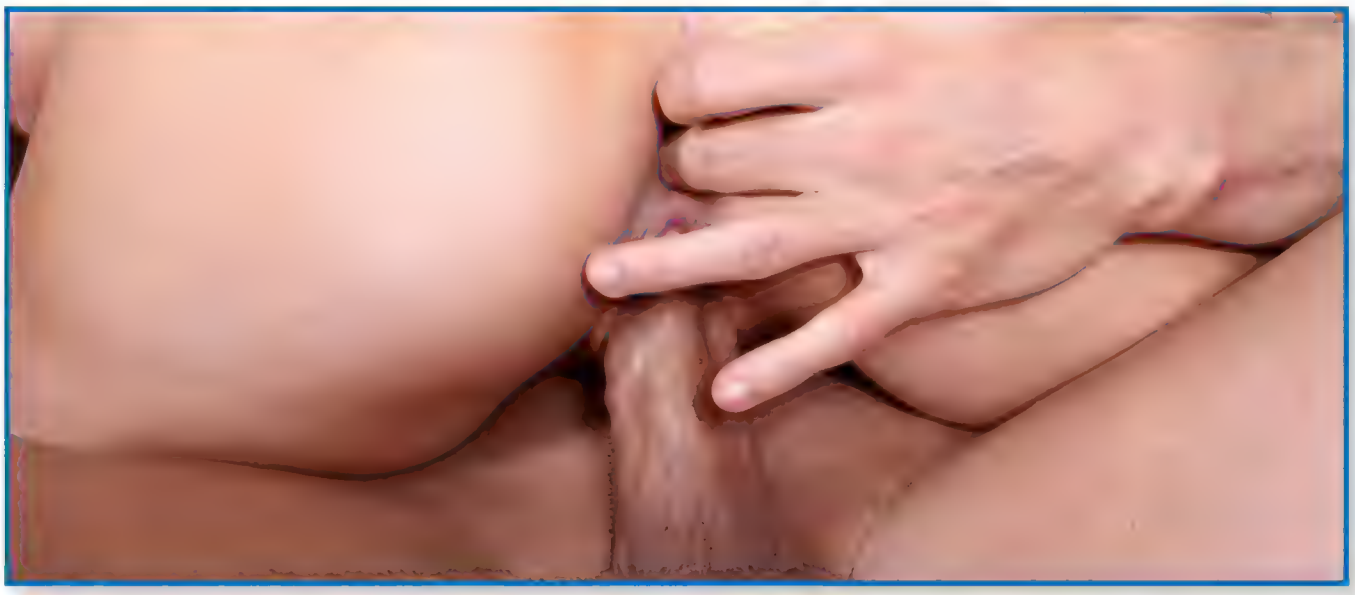
My wife came out of our bedroom dressed in one of my shirts. I grabbed the camera took my place on a chair nearby and started filming. Jeremy moved in behind her and started kissing her neck and rubbing her body through her shirt. He started playing with her breasts through the shirt then lifted it up and began to move his hands all over her body. Next he slid his hands down and started rubbing her pussy. He was playing with her clit and she reached around behind her and started stroking his cock. After a few minutes of this she turned around dropped to her knees and started sucking his cock. Blowjobs are one of her specialties and something I always looked forward to.

He pulled her off his cock, stood her up and gave her a long kiss, then laid her down on the sofa. He started by kissing her then moved down to her breasts, and then to her pussy. He ate her wet pussy like a pro and she was wiggling on the floor in pleasure. I suggested that they take a break and move things to the bedroom where I could video with the camera plugged in since the battery just died. They composed themselves and got up. We all moved to the bedroom and while I was hooking up the camera, my wife crawled on the bed and Jeremy climbed on right after her. They settled near the headboard waiting for me and she started fluffing him by stroking his cock back to stiffness. I managed to get the camera going again and they started again.

Jeremy was rock hard again and wasted no time kissing her and sticking his fingers in her pussy. He pulled his fingers out of her pussy and started playing with her clit. After a few minutes of this she started moaning loudly and I knew she was ready to fuck. He then rolled over, pulled up her legs and positioned himself in front of her pussy and got ready to enter her. My heart picked up the pace as we had been waiting a long time for this again and it was about to happen. I had a good view from where I was sitting and could see him place the head of his cock at the entrance of her pussy. She looked at me just when he slid his cock into her pussy. I kept my eye in the viewfinder and gave her a big thumbs up and huge grin. He lifted her legs up pushing them against her chest and began to fuck her slowly. The sight of these two fucking on the bed in front of me was amazing. I had to start to rubbing myself.

Then Jeremy grabbed her legs and pulled them up over his head lifting her ass up off the bed and started fucking her harder. I thought he was getting ready to cum but he just kept drilling it into her. She started

They composed themselves and got up. We all moved to the bedroom and while I was hooking up the camera, my wife crawled on the bed and Jeremy climbed on right after her.



moaning loudly and was encouraging him to cum. She grabbed him by the ass and pulled him deeper into her pussy. I could see he was getting ready to cum so then he grabbed her, rolled the both of them backwards on the bed and told her to ride him. She was on top of him and started to rock back and forth slowly at first and then really picked up the pace. My wife started riding him harder and harder. She fucked his cock hard and started moaning loudly grinding her pussy onto his cock and suddenly stopped.

She got off him and positioned herself face down on the bed with her ass in the air. Jeremy had not cum yet so he grabbed her hips and jammed his cock hard into her from behind. He started fucking her harder. He grabbed her hips pulling them back against him hard and drove his cock into her. He picked up the pace and fucked her hard, she was moaning loudly again and I could tell she was getting ready to cum. It was a position and sounds that led to many of her climaxes with me. Now they were another man.

Just when I thought he was going to blow his load again, he stopped then laid back on the bed and then pulled her back onto him into the sixty-nine position and started licking her. She then reached down and grabbed his cock and started sucking it. They stayed in that position for quite awhile when Jeremy got up and repositioned her on her knees again. He got behind her again, lifted her ass up in the air and placed her head down on the bed. He grabbed her by the hips and entered her slowly. He started fucking her slow and easy for awhile and then started to pick up the pace. She started to rock her pussy back into him. I knew from personal experience that it would not take long for him to cum once she started doing that.

He slammed her hips into him and pounded her even harder. He thrusted in and out of her pussy like that and she was now moaning louder and louder. She was driving her hips onto his cock when he grabbed her ass pulled it into him, grunted loudly and then filled her pussy with cum. As he was filling her pussy she rocked back and forth, as well as up and down milking every last drop of cum from his cock. He held her ass tight until his cock was empty and then pulled out of her.

She had milked him completely. He had filled her full and it was running out of her. She laid over on the bed and he leaned over kissed on the side of her ass. Realizing that she hadn't cum yet, I put down the video camera and jumped into bed with them. She rolled on top of me, and slid her cum filled pussy onto my throbbing cock. She bobbed her ass up and down on me squishing the cum out of her and onto me. I slipped my hand between her legs and rubbed her clit, bringing her closer to climax. I slipped a slippery finger between her buttcheeks and found her anus. I played around back there, swirling my fingers around and slowly inserted one into her butthole. She slowed down for a minute and pushed back against my finger pushing it deeper into her ass. Once she felt right, she bobbed up and down on my until she came, gushing her love juices all over us. I felt her body tense, explode and ultimately relax.

Jeremy gave us a mock applause and we all laughed. My wife slid in between us guys and we all dozed off into a deep sleep. The next morning we were awakened by her hands stroking each of our cocks. In minutes we were hard and she replaced her hands with her mouth. Jeremy said he had never been awakened that way before. It was amazing, he said. Yes, it was.

Foreplay is really important to me. Gotta have foreplay before you get assplay. I can't just jump right into sex. I have to be warmed up. If you wanna be my guy, expect at least an hour of good heavy duty foreplay, Lick my pussy for a while. Lick my asshole a little longer. Then use your fingers before sticking your cock into me. Let me suck your cock and lick your balls. I'd love to lick your ass, too. Just be sure you're man enough to last, and last, and last. If you can't manage that, then maybe your brother can!

EMMA

Xander hates Emma's new hairstyle. "You cut off all your hair!" Xander laments. "You look so... so... European!" This doesn't sound like a compliment to Emma, though. "What hell does that even mean? Some of the sexiest women in the world are European! You big dummy, lick my ass and pussy! Go on now; get your tongue deep in there! Lucky you, I'm freshly waxed!" That's good eatin', Xander! Dive in!
